 2 FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 28. Public and
 3 municipally owned utilities are authorized to construct, operate, and
 4 maintain their poles, facilities, appliances, and fixtures upon, along,

 12 consent of the abutting property owners, unless the cutting or removal
 13 is required by rule or order of the Indiana utility regulatory
 14 commission. The utility may not locate a pole where it interferes with
 15 the ingress or egress from adjoining land.

16 SECTION 3. [EFFECTIVE UPON PASSAGE] (a) **As used in this**
 17 **SECTION, "commission" refers to the Indiana utility regulatory**
 18 **commission created by IC 8-1-1-2.**

19 (b) **The commission may adopt any rules necessary to**
 20 **implement IC 8-1-14.5, as added by this act, in the same manner as**
 21 **emergency rules are adopted under IC 4-22-2-37.1. Any rules**
 22 **adopted under this SECTION must be adopted not later than**
 23 **September 1, 2008. A rule adopted under this SECTION expires on**
